		1	1	1	3

ATHLETE QUOTAS

- Each country may participate with two teams of four (04) male athletes, for a total of up to eight (08) athletes per delegation.

COMPETITION FORMAT

- Preliminary phase: According to the number of registrants, a group or round robin system will be structured in compliance with the FIBA 3x3 Multisport Events Manual.
- The groups and order of competition will be determined according to a draw of the participating countries.
- Semifinal / Crusaders: 1st Vs. 4th and 2nd Vs. 3rd of the preliminary phase standings.
- Depending on the availability of time, reclassification games could be held for positions 5 and above.
- Final phase: The winners of the semifinal phase matches will compete for the Gold and Silver medals and the losers for the Bronze.
- The competition system may be modified, taking into account the number of days available for the competitions of both genders, once the final number of registered countries is known.

COMPETITION SCHEDULE:

It will depend on the number of countries registered.

TRAINING SCHEDULE:

- The training program and schedule will be established once the final registrations are received. The training sessions will be held at the place of the competitions or alternate venues. The facilities may only be used at the times designated by the Organizing Committee. The system of rotation of countries between training facilities will be used to ensure a level playing field.

ATHLETE ELIGIBILITY:

Participation in championships is restricted to athletes who:

- Meet the initial requirements of your international union.
- Belong to a national sports organization that is a member of the USIP.
- Are police officers or students of a public police academy and have reached the age of 18 at the time of the championships (including preliminary rounds).
- Have signed the Anti-Doping Declaration.

They will not be able to participate

- Military police, members of the armed forces, members of fire brigades and non-police civil servants.
- Athletes who have participated in military championships will not be eligible to enter the World Police Championships or the World Police School Games during the 12 months following such military championships.
- Competitors suspended from sports competitions by the respective sports association due to violation of the relevant anti-doping rules will not be eligible to participate in competitions.
- To verify a person's eligibility, the submission of relevant documents (certified copy) may be required. Failure to submit the relevant documents will result in the commencement permit being denied.
- To verify a contestant's eligibility, the presentation of their police ID, passport/personal identity card, as well as the signed Anti-Doping Declaration will be required.
- All participating countries must submit the USIP Declaration of Participation for each athlete, signed by the appropriate President or Secretary General. The verification of eligibility will be carried out by the representative of the Technical Commission of the USIP and a representative of the Organizing Committee.

RULES, PROTESTS, AND APPEALS

The competitions will be held in accordance with the USIP statute and regulations and with the International Federation regulations. In the event of disagreement about the interpretation of these rules, the Spanish version shall prevail. Cases not provided for in the above-mentioned regulations shall be resolved as follows:

- a. Cases of a general nature will be resolved in accordance with the Organizing Committee of the 4th World Police Games Santo Domingo 2026 in accordance with the USIP Statute and Regulations.
- b. Cases of a technical nature will be resolved in accordance with the rules and procedures of the International Federation, the 3x3 Technical Commission.
- c. In the event of a protest, the procedure is as established in the regulations and must include a deposit of 200.00 EUR.

APPEALS JURY

For the Games, the appeal jury will be composed of a minimum of three people and will be composed of:

- a. Chairman of the OC or his representative.
- b. Secretary General of the USIP.
- c. One (1) Member of the USIP Technical Committee.
- d. The chief referee of the event.
- e. One (1) member of the USIP Executive Committee.

A juror whose country is involved in the case may participate in the discussions, but will not be able to vote. Technical officials and judges are not eligible to serve on the jury. The decision of the appeal jury will be final.

USE OF TRADEMARK IN SPORTS EQUIPMENT AND CLOTHING:

Competition and non-competition uniforms and sports equipment for the Games must comply with the provisions of the guidelines for uniforms and sports equipment of the Games, with the AQUA regulations.

All teams must wear uniform sportswear with the emblems of their respective member association.

TECHNICAL MEETING:

The technical meeting will be on October 26, 2026 at 09:00 at the competition venue and is open to all those with their proper accreditation. Attendance is mandatory for team leaders and coaches of each delegation, with a maximum of 3 for each country. The meeting will be conducted by the DTI and will be in Spanish, with English interpretation.

MEETING OF TECHNICAL OFFICIALS:

It will be in charge of the chief referee appointed for the event. The meeting of technical officers will be held immediately after the technical meeting.

Withdrawals: Withdrawals from the preliminary series must be submitted by completing and submitting the withdrawal form at the conclusion of the technical meeting.

ANTI-DOPING:

During the Championship, anti-doping controls (urine and/or blood) will be carried out, with the current WADA list of prohibited substances (www.wada-ama.org) being applicable. Each competitor must sign the USIP Anti-Doping Declaration and deliver it to the USIP Technical Delegate and/or the organization at accreditation.
